# 18 INSTAGRAM FEED TEMPLATE

## INSTRUCTIONS

1. Simply click the link and the template will automatically open in your browser.
2. Save a copy to your Canva account. To do this sign in to your Canva account-go to File-choose "Make a copy". The file will be copied and opened with a new name. Change it to your own.
3. Then start editing. You can change the text and the photos.
4. Once finished and happy with your designs click the "Download" button in the menu bar, choose JPG and 100% quality.

5. To slice image to 18 square posts please use the link below:

<https://www.imgonline.com.ua/eng/cut-photo-into-pieces.php>

### Choose the following settings:

1) Select image in BMP, GIF, JPEG, PNG, TIFF format:

3240 x 6480 IG PUZZLE - BOSS LADY.png

2) Cutting settings for photo

Parts in width:  (1-30)

Parts in height:  (1-30)

Make square parts:  (supported for Instagram) and snap to:

Trim (<0) | Add (>0) from left and right:  pixels for each part (from -1000 to 1000)

Trim (<0) | Add (>0) from top and bottom:  pixels for each part (from -1000 to 1000)

3) Output images format

Without changes, same as original image

JPEG  with quality  (from 1 to 100)

PNG-24 (without compression, with transparency support)

Copy EXIF and other metadata?  Yes  No

Processing usually lasts for 0.5-30 seconds.

Upload your jpg file, set 3 images width and 6 images height. Choose JPG with 100 quality.

Press OK and then Download .zip archive with all parts of image. Or you can open each part of image and save one by one.

Image processing result

OK, processing completed successfully!

Number of images: 18

Archive name: cut\_images\_archive\_wpjR1RU4pBFW.zip

[Download .zip archive with all parts of image \(8.22 MB\)](#)

If archive not downloaded, it is advisable to do right click on the link and choose: "Save target as..." to force download, depends on the Internet browser (Chrome, Firefox, Opera, Explorer).

Open each part of image:

## How to upload to Instagram:

Make sure you upload the files starting with the last one (Open\_image\_#018.jpg) and ending with the first one (Open\_image\_#001.jpg).

## **Standard license is for personal and LIMITED commercial use.**

### **YOU MAY:**

Use my templates to create your own presentations to sell your products.

#### **Use my templates in**

- Ebooks
- Workbooks
- Slide decks
- Webinar presentations
- Social media

Marketing of your own products.

Allow your paid employees and assistants to use the templates to customize for your products only.

You may give a COPY of the original Canva Template--NOT the original Canva link.

### **You may NOT:**

Sell my templates as is. In other words, you cannot make my templates available to someone else to use for themselves. If they want to use the templates in their own products, they must buy their own separate product from me.

Give ANYONE access to your Canva links. You must make it in a flattened format, for example. For employees and VA, you may make a copy ONLY for customization.

If you want to use my products in any other way than the above mentioned ways, please contact us at [cecille@theblogcreative.com](mailto:cecille@theblogcreative.com)

OR

You are not sure if you're intended use of my products are within the terms listed above, please contact us [cecille@theblogcreative.com](mailto:cecille@theblogcreative.com)
